

Reviews of *A Generation of Vigilance* by T. D. Regehr

The book is more than a family history; it is in part the history of a denomination, that of the Mennonite Brethren in Canada. Indeed, it goes beyond Canada in that it includes the mission outreach of the MBs throughout the world. The book will be of interest not only to those who knew Harder and the Mennonite Brethren, but also to Mennonite historians generally. All Mennonite academic and church libraries will want to place the book on their shelves.

Harry Loewen, Professor Emeritus of History and Mennonite Studies, University of Winnipeg

Required reading for all who wish to understand an important era in Mennonite Brethren history as well as the forces at work in a close-knit Mennonite community such as Yarrow.

Abe Dueck, Former Executive Secretary, Mennonite Brethren Church Historical Commission
