

FEE CALCULATION WORKSHEET 2017-18

Use this form to determine the total cost for each semester and the total resources you have available to cover these expenses. If you have already registered you should be able to get many of these numbers from your statement on the student portal. **Use the statement to record on this sheet those fees that are already charged to you. Then add any other amounts that apply to you.** Note that some incidental fees may appear on your statement after the payment deadline.
