

PRE-PROFESSIONAL STUDIES AT CMU

Preparing for a Career in **OCCUPATIONAL THERAPY**

A degree from Canadian Mennonite University (CMU) could prepare you to meet the entrance requirements for studies in Medical Rehabilitation. **This page explains what you must complete if you wish to gain admission at the University of Manitoba to earn the Master of Occupational Therapy.** If you intend to continue studies at some other university, similar possibilities exist. It is important, however, that you inquire about admission and program requirements at the university you are considering and that you work with the Coordinator of Student Advising at CMU to construct a program of studies at CMU that will achieve your objectives.

Students must achieve a grade point average of 3.0 or more to become eligible for admission. However, admission is on a competitive basis, and normally students must earn a higher average to compete successfully.

To become eligible for admission to Master of Occupational Therapy program at the University of Manitoba, you must earn a baccalaureate degree (i.e., at CMU this could be a B.A., B.Mus., B.M.T. or a B.B.A.). The degree must include the following, with a minimum grade of 'B' in each, and a minimum GPA of 3.0 ('B') in the last 60 credit hours of study:

- PSYC-1010 & 1020 Introduction to Psychology I and II
- MATH-1000 Basic Statistical Analysis
- BIOL-1360 Anatomy of the Human Body
- BIOL-1370 Physiology of the Human Body
- An additional 3 credit hours of social science (chosen from SOCI-1110, ANTH-1610, and GEOG-1010)
- Electives—6 credit hours

Example of a qualifying year for admission to the Faculty of Social Work. Other possibilities exist, so consult with the Coordinator of Student Advising.

<u>First Semester</u>	<u>Second Semester</u>
One of the following: BTS-1110 Biblical Literature & Themes OR BTS-1120 Encountering the Bible OR BTS-1130 Introducing Jesus: An Overview of the Christian Bible	One of the following: BTS-2000 Intro to Christianity OR BTS-2420 Exploring Christian Spirituality OR BTS-2550 History of Christianity OR BTS-2720 Theologies of the Global South OR BTS-2750 Intro to Christian Ethics
BIOL-1360 Anatomy of the Human Body	BIOL-1370 Physiology of the Human Body
PSYC-1010 Introduction to Psychology I	PSYC-1020 Introduction to Psychology II
Social Science elective from: SOCI-1110 Intro to Sociology OR ANTH-1610 Cultural Anthropology OR GEOG-1010 Human Geography	MATH-1000 Basic Statistical Analysis
Elective	Elective

High school prerequisites: Biology 40S and MATH 40S required. Physics 30S or 40S recommended.
