

FinancialDiaries.ca

Research Assistant

15 January 2018

The Canadian Financial Diaries Research Project is seeking one or more highly motivated and skilled people to assist with the financial diaries research process. The ideal candidate is a senior undergraduate or a graduate student or inner-city community member with knowledge and/or experience of quantitative research methods and Winnipeg's inner-city.

For information about the project please visit the project website: www.financialdiaries.ca.

The R.A. Position

The research project is hiring one or more highly motivated persons to contribute to the diaries team to do the following,

- Undertake data input, data cleaning, and preparation of diaries data for analysis. This person will work closely with interviewers and have skills and experiences with Microsoft Access, Microsoft Excel, and statistical software programs, e.g., SPSS.
- Assist in participant recruitment, interviewing, and recording of financial diaries information.

The Term, Workload & Wage Rate

The term of the position is from February through June 2018 and will involve a workload of approximately 10 hours/week. The wage rate will follow the rates at Canadian Mennonite University (information available upon request).

For more information &/or to apply

To apply for this position please send a cover letter and resume to Jerry Buckland.

Jerry Buckland, Menno Simons College, part of Canadian Mennonite University, at the University of Winnipeg, 520 Portage Ave., Winnipeg, Mb., R3C 0G2, j.buckland@uwinnipeg.ca.

Processing of applications will begin on Monday 29 January 2018.
