

## VERIFICATION OF DISABILITY FORM

CMU Disability Services provides accommodations for students with permanent or temporary disability based on documentation received from an appropriate medical professional. Documentation should be current or within the past 3 years.

- Learning disabilities – provide documentation based on a psycho-educational assessment by a registered psychologist. Documentation for learning disabilities should be based on adult assessment.
- Chronic or Temporary Physical Health Disabilities – provide documentation by the appropriate physician or specialist.
- Mental Health Disabilities (including ADHD) – provide documentation by a psychologist or psychiatrist.

Completed form to be returned to the Disability Office by the student, mailed or faxed to the address or number at the bottom of the page.
