- Edmonton Street between Sargent Avenue and Qu'Appelle Avenue
- Kennedy Street between Qu'Appelle Avenue and Cumberland Avenue
- Cumberland Avenue between Balmoral Street and Carlton Street
- Sargent Avenue between Edmonton Street and Balmoral Street

This allows vehicles to park longer than the posted time limits on these time-limited streets for the duration of the event.

Paid street parking: For nearby streets where paid parking is in effect on Saturdays, vehicles may park for up to 4.5 hours. This includes two hours of complimentary parking, followed by up to two additional paid hours, with the option to extend for an additional 30 minutes. Payment is required for 2.5 hours in order to access the full 4.5-hour stay.

Please note that the City removed all pay stations last summer. Anyone parking on a street where paid parking is in effect must pay using the PayByPhone app. We recommend reminding attendees to download the app in advance and enter their vehicle and payment information prior to coming downtown.
