

PRE-PROFESSIONAL STUDIES AT CMU

Preparing for a Career in **KINESIOLOGY-ATHLETIC THERAPY (AT UOFM)**

A year of study at Canadian Mennonite University (CMU) could prepare you to meet the entrance requirements for a baccalaureate program in Kinesiology-Athletic Therapy. **This page explains what you must complete if you wish to gain admission at the University of Manitoba to earn the Bachelor of Kinesiology—Athletic Therapy.** If you intend to continue studies at some other university, similar possibilities exist. It is important, however, that you inquire about admission and program requirements at the university you are considering and that you work with the Coordinator of Student Advising at CMU to construct a program of studies that will achieve your objectives.

If you intend to earn your degree at the University of Manitoba, you can begin with a year of studies at CMU and complete the program at the University of Manitoba *without adding to the time it would take if you were to go directly to the University of Manitoba.*

To become eligible for admission to the Bachelor of Kinesiology-Athletic Therapy at the University of Manitoba, you must complete 24 credit hours. You must achieve a minimum GPA of 2.0, but admission is on a competitive basis, so normally students must earn a much higher average to compete successfully.

To become eligible for admission to the Bachelor of Kinesiology-Athletic Therapy, you need 24 credit hours of university-level studies, including BIOL-1360 and 1370 and PHED-1000. However, to complete the program within three additional years, you should complete 30 credit hours, including as much of the following as possible during your first year:

- BIOL-1360 Anatomy of the Human Body
- BIOL-1370 Physiology of the Human Body
- PSYC-1010 Introduction to Psychology I
- PSYC-1020 Introduction to Psychology II
- MATH-1000 Basic Statistical Analysis
- Science Electives
- PHED-1000 Foundations of Physical Education & Exercise Science

Additional requirement: Valid certification in Health Care Provider, Basic Rescuer CPR and Standard Red Cross First Aid completed prior to commencement of classes in the Athletic Therapy Program.

Example of a qualifying year taken at CMU:

<u>First Semester</u>	<u>Second Semester</u>
One of the following: BTS-1110 Biblical Literature & Themes OR BTS-1120 Encountering the Bible OR BTS-1130 Introducing Jesus: An Overview of the Christian Bible	One of the following: BTS-2000 Intro to Christianity OR BTS-2420 Exploring Christian Spirituality OR BTS-2550 History of Christianity OR BTS-2720 Theologies of the Global South OR BTS-2750 Intro to Christian Ethics
PHED-1000 Foundations of Physical Education & Exercise Science	MATH-1000 Basic Statistical Analysis
Science electives from list. Click HERE to learn more.	Science electives from list. Click HERE to learn more.
PSYC-1010 Introduction to Psychology I	PSYC-1020 Introduction to Psychology II
BIOL1360 Anatomy & Lab	BIOL-1370 Physiology & Lab

High School Prerequisites: Math 40S (applied or pre-calculus), Biology 40S (strongly recommended)
